**3<sup>rd</sup> – 6<sup>th</sup> grade Festival Chorus**  
**Saturday, March 16<sup>th</sup>, 2019**

Dear Music Teachers,

We hope that everyone's school year is off to a great start. We are pleased to announce the third annual Singing Angels Festival Chorus: an avenue to give young choral singers the opportunity to rehearse and perform together and enjoy making music with students from all over the greater Cleveland area.

We are now accepting nominations for Festival Chorus membership. All teachers may nominate up to 20 students. The music performed for this event will be performed in SA or unison arrangement. Each school will be assigned either Part One or Part Two, to simplify your preparation process!! The 2019 Singing Angels Festival Chorus Guest Clinician will be announced soon.

Please email the following information to Charles Eversole ([charles@singingangels.org](mailto:charles@singingangels.org)):

1. Director Name
2. Director Phone/Email Address
3. School/School Address

Teachers will be provided access to a dropbox.com account where learning tracks for vocal parts will be readily available to help you prepare your students for the honors choir rehearsals/performance.

We hope that you will discuss this wonderful performance opportunity with your students. We have prepared an informational letter that you may distribute to students and parents that you are considering for nomination. Please feel free to copy, edit, or cut/paste the informational letter to your own specific needs.
