

We're thrilled you are interested in becoming a part of the Singing Angels family. The online audition process is as follows.

1. Please read the information at the end of this letter about The Singing Angels. This information is based on our traditional non-pandemic programming. Our fall 2020 programming will be modified to engage with our students on the safest level possible. If accepted, you will receive information on how our programming will resume this fall.
2. Take a video of yourself singing a song you love. Please do not sing with an accompaniment, we want to hear your voice. Our main requirement is the ability to sing in tune with a pleasant voice and a love of singing! The video should be between 1 minute and 1 minute, 30 seconds. Don't forget to smile in the video.
3. Fill out the Online Audition Application and attach your audition video to the google form.
4. We will send you an email confirmation that your audition application and video was received.
5. We may also reach out to schedule a time to have your child do some pitch matching with our director via Zoom. We may also reach out for your child to take an online music reading assessment. If you do not hear from us regarding these two options, it does not mean you did not make The Singing Angels. We may do this process at a later date due to the pandemic.
6. We will inform by email by September 5 whether or not you have been accepted into The Singing Angels.

If you have any questions, please email Holly Harris at holly@singingangels.org.
